Georgina Bassett Tel: 07469702826

Parish Projects

Funding has been requested to replace the notice board at the junction of Church Lane and the A129.

Residents should have noticed the additional shrubs and plants in the Parish. The Council is reviewing this upkeep and whether or not to apply for additional funding.

Another litter bin has been purchased and installed at the bus shelter opposite the local school.

The Parish Council regularly reviews future projects, if you have any suggestions please contact the Clerk.

Basildon Borough Council has been contacted regarding a solution to an increase in fly tipping within the Parish. Any issues on this please contact Basildon Borough Council Enforcement Department on 01268 533333.

Health and Wellbeing is being promoted in the area. Hopefully we can encourage residents to assist in providing help to those in need. Further information is available from the Parish Clerk.

Parish Council Information

Basildon Borough Council-local Plan

The Parish Council met with planning officers of Basildon Borough Council to discuss our alternative proposals relating to their Local Plan. They gave us some valuable advice in order to prepare for when the Government Inspector holds a public discussion later in the year to listen to our plans.

Overgrowth

It has been noted that there has been an overgrowth on boundary fences and footpaths. Please could residents address this – thank you.

Sunday 28th July 2019

Please note an organised event by Essex Bridleway Association of approximately 100 horses in the morning of 28th July will come along Church Lane and Crays Hill Road in the direction of Wickford. Further details should be available from the organisation nearer the date.

Parish Councillors

The Parish Council is pleased to confirm the recent appointment of Cllr. Tony Knight.

Next Parish Council Meeting Dates in 2019:

16th September 14th October, 18th November and 16th December.
